This application is in condition for allowance except for the following formal matters:

Claim Objections

Claims 1 and 16 are objected to because of the following informalities: Both claim 1 and claim 16 recite "next to" without following with what the item is next to. Each independent claim should be amended so that the respective appropriate noun follows the term "next to". While a pronoun would be acceptable in ordinary conversation, it is not recommended for the claims since the pronouns may be too ambiguous. Appropriate correction is required.

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213.

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.
